All quotes are valid for 7 days from date of quotation. Bespoke Bodies reserves the right to amend any pricing subject to the current global supply chain issues and increased chassis lead times.

Potential revised pricing will be communicated to the customer 8 - 12 weeks prior to the commencement of the estimated build date where Bespoke Bodies can demonstrate price increases incurred since the acceptance of the original order and the arrival of the chassis.

Bespoke Bodies is not liable for any loss or damage in relation to any global supply chain issues, including changes to legislation, legal processes, standards or regulations. The customer shall indemnify Bespoke Bodies against all costs or liabilities incurred in relation to these issues and all subsequent effects.

The chassis wheelbase/length/overhang must be suitable to receive the specified body length without modification. If additional work is required it will be quoted separately once the wheelbase has been confirmed by the dealer.

The wheelbase / diminishing load calculations are the responsibility of the supplying manufacturer.
The prices quoted are exclusive of VAT, valid for 7 days and will be reviewed upon receipt of PO
